

Neurology Nursing: A New Era in Education

Launching Ireland's first Postgraduate
Diploma in Neurology Nursing

Tuesday 17th February 2026 10:00 AM - 13:00 PM

RCSI, St Stephen's Green, Dublin 2

On behalf of the RCSI University of Medicine and Health Sciences, School of Nursing and Midwifery, the National Clinical Programme for Neurology, the Neurological Alliance of Ireland (NAI), the Irish Neurology Nurses Forum (INNF) and FutureNeuro, Research Ireland Centre for Translational Brain Science, we wish to invite you to the official launch of Ireland's first Postgraduate Diploma in Neurology Nursing.

This landmark occasion will celebrate the development of a pioneering postgraduate programme designed to strengthen and support the growing network of neurology nurses across Ireland.

Neurology nursing plays a vital role in delivering high-quality care and improving outcomes for people living with neurological conditions. The new postgraduate diploma ensures that Irish nursing practice in this field, is grounded in evidence-based research and supported through accessible, advanced education opportunities.

This initiative represents a unique and collaborative effort between academic, clinical and patient advocacy partners to develop a sustainable, expert neurology nursing workforce.

Our event will feature the first student cohort and opportunities for networking and engagement among members of the neurology community.

We would be honoured if you would join us to officially launch this important national programme, which stands as a testament to the power of partnership in advancing healthcare education and patient care in Ireland.

Please sign up for the event by clicking on the following link: [Neurology Nursing: A New Era in Education. Event Registration Form – Fill out form](#). If you have any issues or queries regarding registration, please contact meadbh.dunne@rcsi.ie. An online attendance option will be available.
